**RE: ACCIDENT PREVENTION COURSE**

Dear Mr. Pairan:

Your request for approval by the Department of Safety of your eight (8) hour accident prevention course for liability insurance premium reduction has been received and evaluated by Captain Tony Barham of our Special Programs Division. He has determined that the course meets the criteria of T.C.A. 56-7-1107 and Department of Safety Rule 1340-01-10.

Therefore, your program is approved and certified for referrals by the Department of Safety. This certification expires **November 30, 2012**. The department retains the right to monitor your program at any time in order to ensure that minimum standards are being met. This approval is **only** for the liability insurance premium reduction course for drivers age 55 and over pursuant to T.C.A 56-7-1101 and **not** for the eight (8) hour defensive driving course pursuant to 55-50-505 or the four (4) hour court-ordered course pursuant to T.C.A. 55-10-301.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Gibbons", with a long, sweeping underline.
